

# inspirED Project Feedback Form

In addition to your team discussions, you might want to ask your school community how they think your project went.

**Use the next page to gather feedback about the impact your project had.**

- Add details at the top of the page like what your project was, when it happened, and what it was called.
- At the bottom, add information about how people can get more involved with inspirED.
- Make copies and distribute for feedback (see example below).

## Our project details:
